All such policies, with regard to FMBank and the Bank Subsidiaries, (a) are valid, outstanding and enforceable according to their terms, subject to the Bankruptcy Exception, and (b) are in full force and effect and will remain in effect to the end of their policy periods, and (c) to the extent this Agreement is executed after the end of their policy periods, will be renewed, subject to normal renewal policies and procedures, including the payment of premiums. With respect to the Bank D&O Policies, all such policies are valid, outstanding, and enforceable in accordance with their respective terms, notwithstanding the Bankruptcy Exception, provided the bankruptcy of any named insured is one in which the party filing the same is a debtor-in-possession and no bankruptcy trustee is appointed. No notice has been received of the cancellation, or to the Knowledge of the Companies, threatened or proposed cancellation, of any such policy and there are no unpaid premiums due thereon. Neither FMAR, FMBank nor any Bank Subsidiary is in material default with respect to any such policy, and neither FMAR, FMBank nor any Bank Subsidiary has failed to give any notice or present any material claim thereunder in a due and timely fashion. Except as set forth on *Disclosure Schedule 3.13*, FMBank and each Bank Subsidiary has not been refused any insurance with respect to its assets or operations, nor has its insurance been limited by any insurance carrier to which FMBank and each Bank Subsidiary has applied for any such insurance within the last two (2) years. Each property of FMBank and each Bank Subsidiary is insured in amounts deemed adequate by FMBank’s management against risks customarily insured against. There have been no claims under any fidelity bonds of FMBank and/or any Bank Subsidiary within the last three (3) years, and the Companies have no Knowledge of any facts that would form the basis of a claim under such bonds. Except as set forth on *Disclosure Schedule 3.13*, FMBank and each Bank Subsidiary shall, immediately after the Closing until the end of the policy periods, or

beyond as specified in Section 5.11 herein, continue to have coverage under such policies and bonds with respect to events occurring prior to the Closing.

Section 3.14. Proprietary Rights. *Disclosure Schedule 3.14* lists all copyrights, trademarks, service marks, trade names, trade dress, logos, internet domain names, patents, other proprietary rights, interests, and protections, all other intellectual property, and all rights therein, in each case, registered or unregistered, and any and all applications with respect thereto (collectively, “Intellectual Property”), owned or used by FMBank and/or the Bank Subsidiaries (collectively, “FMBank Intellectual Property”). Except as set forth on *Disclosure Schedule 3.14*, FMBank and/or the Bank Subsidiaries owns, possesses, and has good, valid and marketable title to, and the unrestricted right to use, all FMBank Intellectual Property, free and clear of Encumbrances, and such FMBank Intellectual Property constitutes all Intellectual Property necessary to conduct the respective businesses of FMBank and the Bank Subsidiaries. To the Knowledge of the Companies, neither FMBank nor any Bank Subsidiary is infringing on or otherwise acting adversely to the Intellectual Property or other rights of any Person. There is no claim pending or, to the Knowledge of the Companies, threatened, against FMBank or any Bank Subsidiary with respect to any Intellectual Property or other such rights.

Section 3.15. Transactions with Certain Persons and Entities. Except as disclosed in *Disclosure Schedule 3.15* and excluding deposit liabilities, there are no outstanding amounts payable to or receivable from, or advances by FMBank or any Bank Subsidiary to, and FMBank and the Bank Subsidiaries are not otherwise creditors of, any director, Executive Officer, Former Related Person, or other Affiliate of FMAR or FMBank, nor is FMBank or any Bank Subsidiary a debtor to any such Person, other than as part of the normal and customary terms of such Person’s employment or service as a director for FMAR and/or FMBank. Except as set forth on *Disclosure Schedule 3.15*, to the Knowledge of the Companies, neither FMBank nor any Bank Subsidiary uses any asset owned by any shareholder owning five percent (5%) or more of the issued and outstanding common stock of FMAR, or any director, officer, Former Related Person, or other Affiliate of FMAR or FMBank, in the operations (other than personal belongings of such officers and directors located in FMBank’s premises, the removal of which would not result in a Material Adverse Change). Except as disclosed in *Disclosure Schedule 3.15*, neither FMBank nor any Bank Subsidiary is a party to any material transaction, contract or agreement with any director, Executive Officer, Former Related Person, or other Affiliate of FMAR or FMBank, other than credit and consumer banking transactions in the ordinary course of business.

Section 3.16. Evidences of Indebtedness.

(a) All evidences of indebtedness and leases that are reflected as assets of FMBank are the legal, valid and binding obligations of the respective obligors thereof, enforceable in accordance with their respective terms, subject to the Bankruptcy Exception. No claim or defense has been asserted, and to the Companies’ Knowledge, there are no acts or omissions that would give rise to any claim or right of rescission, set off, counterclaim or defense that may be asserted against FMBank. The credit files of FMBank contain all material information known to FMAR or FMBank that is reasonably required to evaluate in accordance with generally prevailing practices in the banking industry the collectability of the loan portfolio

of FMBank (including loans that will be outstanding if any of them advances funds they are obligated to advance).

(b) To the Knowledge of the Companies, there are no, nor have the Companies received notice of, any past or present conditions, events, activities, practices or incidents that may result in a material violation of any Environmental Law with respect to any real property securing any indebtedness reflected as an asset of FMBank.

(c) With respect to any loan or other evidence of indebtedness, all or a portion of which has been sold to or guaranteed by any Governmental Authority, including the Small Business Administration, each of such loans was made in compliance and conformity with all applicable Legal Requirements such that such Governmental Authority's guaranty of such loan is effective during the term of such loan in all material respects.

(d) No representation or warranty is being made in this Section 3.16 or in this Agreement as to the sufficiency of collateral securing or collectability of the loans reflected as an asset of FMBank.

Section 3.17. Certain Loans and Related Matters.

(a) Except as set forth on *Disclosure Schedule 3.17(a)*, as of the date of this Agreement (with respect to the matters set forth in clauses (iii), (iv) and (v) of this Section 3.17(a) below) and as of December 31, 2013 (with respect to the matters set forth in clauses (i) and (ii) of this Section 3.17(a) below), FMBank is not a party to any written or oral (i) loan agreement, note or borrowing arrangement, under the terms of which the obligor is sixty (60) days or more delinquent in payment of principal or interest or in default of any other material provisions as of the date of this Agreement or on non-accrual status; (ii) loan agreement, note or borrowing arrangement which has been classified or, in the exercise of reasonable diligence by FMBank or any regulatory agency with supervisory jurisdiction over FMBank, should have been classified as "substandard", "doubtful", "loss", "other loans especially mentioned", or any comparable classifications by such Persons; (iii) loan agreement, note or borrowing arrangement including any loan guaranty, with any director, Executive Officer or Former Related Person of FMBank, or any ten percent (10%) or more shareholder of FMAR, or any Person controlling, controlled by, or under common control with any of the foregoing Persons; (iv) loan agreement, note or borrowing arrangement in violation of any Legal Requirement applicable to FMBank, which violation could result in a Material Adverse Change with respect to FMBank; or (v) loan agreement, note or borrowing arrangement which, at the time it was entered into, constituted a violation of FMBank's legal lending limit and which remains on FMBank's books.

(b) *Disclosure Schedule 3.17(b)* contains the "watch list of loans" of FMBank as of September 30, 2013, and the Companies shall update such schedule prior to the Closing such that it contains the "watch list of loans" of FMBank as of the date no earlier than thirty (30) days prior to the Closing Date. Except as set forth in *Disclosure Schedule 3.17(b)*, to the Knowledge of the Companies, there is no loan agreement, note or borrowing arrangement which should be included on a watch list in accordance with FMBank's ordinary course of business and with prudent banking principles, which is not included on such list.

Section 3.18. Environmental Compliance.

(a) To the Knowledge of the Companies, FMBank and each of the Bank Subsidiaries, their operations and their respective Properties are in material compliance with all Environmental Laws. The Companies do not have Knowledge of, and neither FMAR nor FMBank have received, notice of, any past, present, or future conditions, events, activities, practices or incidents that may interfere with or prevent the material compliance of FMBank or Bank Subsidiaries with all Environmental Laws.

(b) FMBank and each of the Bank Subsidiaries has obtained all material permits, licenses and authorizations that are required by it under all Environmental Laws.

(c) To the Knowledge of the Companies, no Hazardous Materials exist on, about or within any of the Properties, nor to the Knowledge of FMAR and FMBank have any Hazardous Materials previously existed on, about or within or been used, generated, stored, transported, disposed of, on or released from any of the Properties, except as set forth on *Disclosure Schedule 3.18(c)*. The use that FMBank or the Bank Subsidiaries make and intend to make of the Properties will not result in the use, generation, storage, transportation, accumulation, disposal or release of any Hazardous Material on, in or from any of the Properties.

(d) There is no action, suit, proceeding, investigation, or inquiry before any Governmental Authority pending or to Companies' Knowledge threatened against FMBank or the Bank Subsidiaries relating in any way to any Environmental Law. To the Knowledge of the Companies, neither FMBank nor any Bank Subsidiary has any Liability for remedial action under any Environmental Law. Neither FMBank nor any Bank Subsidiary has received any request for information by any Governmental Authority with respect to the environmental condition of any of the Properties, nor has FMBank or any Bank Subsidiary received any notice of any kind from any Governmental Authority or other Person with respect to any violation of or claimed or potential Liability of any kind under any Environmental Law.

Section 3.19. Regulatory Compliance. All reports, records, registrations, statements, notices and other documents or information required to be filed by FMBank with any federal or state regulatory authority, including, without limitation, the MDB and the FDIC, have been duly and timely filed and all information and data contained in such reports, records or other documents as of their respective dates (or, if amended prior to the date hereof, as of the date of such amendment) were true, accurate, correct and complete in all material respects. Except as set forth on *Disclosure Schedule 3.19*, (a) neither FMAR nor FMBank is, and has not within the last five (5) years been, subject to any commitment letter, memorandum of understanding, cease and desist order, written agreement or other formal or informal administrative action with any federal or state regulatory bodies, and FMAR and FMBank are in full compliance with the requirements of any such commitment letter, memorandum of understanding, cease and desist order, written agreement or other formal or informal administrative action, and (b) there are no actions or proceedings pending or, to the Knowledge of the Companies, threatened against FMBank by or before any such regulatory bodies or any other Governmental Authority. Without limiting the foregoing, FMBank is in material compliance with, and since January 1, 2011 has complied in all

material respects with, Sections 23A and 23B of the Federal Reserve Act, its implementing regulations, and the Federal Reserve's Regulation O.

No deposit of FMBank is a "brokered" deposit (as such term is defined in 12 C.F.R. § 337.6(a)(2)) or, to the Knowledge of the Companies, is subject to any Encumbrance, legal restraint or other legal process (other than garnishments, pledges, set off rights, escrow limitations and similar actions taken in the ordinary course of business).

Section 3.21. Interest Rate Risk Management Instruments. To the Knowledge of the Companies, all interest rate swaps, caps, floors and option agreements and other interest rate risk management arrangements, whether entered into for the account of FMBank or for the account of a customer of FMBank, were entered into in the ordinary course of business and (a) are consistent with prudent banking practice, (b) are in accordance with applicable Legal Requirements, and (c) with counterparties believed to be financially responsible at the time; and each of them constitutes the legal, valid and binding obligation of FMBank, enforceable according to their terms, subject to the Bankruptcy Exception. FMBank has duly performed in all material respects all of its material obligations thereunder to the extent that such obligations to perform have accrued; and, to the Companies' Knowledge, there are no material breaches, violations or defaults or allegations or assertions of such by any party thereunder.

Section 3.22. Community Reinvestment Act. FMBank is in compliance in all material respects with the Community Reinvestment Act (12 U.S.C. §2901 et seq.) (the "CRA") and all regulations issued thereunder, and FMBank has made available to FMIB copies of FMBank's current CRA statement, all support papers therefor, all letters and written comments received by FMBank since January 1, 2010, pertaining thereto and any responses by FMBank to those letters and comments. FMBank has a rating of not less than "satisfactory" as of its most recent CRA compliance examination, and the Companies have no Knowledge of any reason why FMBank would not receive a rating of "satisfactory" or better in its next CRA compliance examination or why the FDIC or any other governmental entity may seek to restrain, delay or prohibit the Contemplated Transactions as a result of any act or omission of FMBank under the CRA.

Section 3.23. Fair Housing Act, Home Mortgage Disclosure Act and Equal Credit Opportunity Act. Section 3.28. Books and Records. The minute books, stock certificate books and stock transfer ledgers of FMBank and each Bank Subsidiary (a) have been kept accurately in the ordinary course of business, (b) are complete and correct in all material respects, and (c) the transactions entered therein represent bona fide transactions. Neither FMBank nor any Bank Subsidiary has sold or disposed of, or otherwise divested itself of the ownership, possession, custody or control, of any corporate books or records of any nature that, in accordance with sound business practice, normally are retained for a period of time after their use, creation or receipt, except at the end of the normal retention period.

Section 3.29. Internal Controls. Section 3.30. Fiduciary Responsibilities. To the Companies' Knowledge, FMBank and each Bank Subsidiary has performed in all material respects all of its duties as a trustee, custodian, guardian or as an escrow agent in a manner that complies in all material respects with all applicable Legal Requirements.

Section 3.31. Guaranties. Except as set forth on *Disclosure Schedule 3.31*, none of the Liabilities of FMBank or any Bank Subsidiary are guaranteed by any other Person, and neither FMBank nor any Bank Subsidiary has guaranteed the Liabilities of any other Person.

Section 3.32. Employee Relationships. Except as set forth on *Disclosure Schedule 3.32*, neither FMBank nor any Bank Subsidiary is a party to any collective bargaining agreement or to any conciliation agreement with the United States Department of Labor, the United States Equal Employment Opportunity Commission, or any federal, state or local agency that requires equal employment opportunities or affirmative action in employment beyond the generally applicable Legal Requirements. There are no unfair labor practice complaints pending against FMBank or any Bank Subsidiary before the National Labor Relations Board and no similar claims pending before any similar state or local or foreign agency. To the Knowledge of the Companies, there is no activity or proceeding of any labor organization (or representative thereof) or employee group to organize any employees of FMBank or any Bank Subsidiary, nor of any strikes, slowdowns, work stoppages, lockouts or threats thereof, by or with respect to any such employees. FMBank and each Bank Subsidiary is in compliance in all material respects with all applicable Legal Requirements respecting employment and employment practices, terms and conditions of employment and wages and hours, and neither FMBank nor any Bank Subsidiary is engaged in any unfair labor practice.

Section 3.33. Benefit Plans.

(a) Set forth on *Disclosure Schedule 3.33(a)* is a complete and accurate list of all "employee benefit plans" (as defined in Section 3(3) of ERISA), all "multiemployer plans" (as defined in Section 3(37) of ERISA) and "multiple employer plans" (as defined in Section 413(c) of the Code), all specified fringe benefit plans as defined in Code Section 6039D, and all other employment, bonus, incentive, compensation, deferred compensation, profit sharing, stock option, phantom stock, stock appreciation right, stock bonus, stock purchase, employee stock ownership, savings, severance, supplemental unemployment, layoff, salary continuation, retirement, pension, health, life insurance, disability, group insurance, vacation, holiday, sick leave, fringe benefit or welfare plan or any other similar plan, agreement, policy or understanding (qualified or nonqualified), and any trust, escrow or other agreement related thereto, which (i) are sponsored, maintained or contributed to by FMBank or any of its ERISA Affiliates, or with respect to which FMBank or any of its ERISA Affiliates has any Liability, and

(ii) provide benefits, or describe policies or procedures applicable to, or for the welfare of, any officer, director, independent contractor, employee, service provider, former officer, director or employee of FMBank or any of its ERISA Affiliates, or the dependents, spouses or beneficiaries of any such Person, regardless of whether funded (the “Employee Plans”). True, accurate and complete copies of the documents comprising each Employee Plan, including each trust, funding arrangements (including all annuity contracts, insurance contracts, and other funding instruments), summary plan descriptions and summaries of material modifications, the most current determination letter issued by the Internal Revenue Service, Form 5500 Annual Reports and nondiscrimination test results for the three most recent plan years, and material documents, records, policies, procedures or other materials related thereto, have been delivered or made available to FMIB. No unwritten amendment exists with respect to any Employee Plan.

(b) There have been no prohibited transactions (as defined in Code Section 4975(c)(1)), breaches of fiduciary duty or any other breaches or violations of any Legal Requirement applicable to the Employee Plans that would subject FMBank or any of its ERISA Affiliates or any Employee Plan to any Taxes, penalties, or other liabilities (including Liability arising through indemnification). Each Employee Plan that is represented to be qualified under Code Section 401(a) has a favorable determination letter or opinion letter that covers all existing amendments and has no obligation to adopt any amendments for which the remedial amendment period under Code Section 401(b) has expired, and neither of the Companies is aware of any circumstances likely to result in revocation of any such favorable determination letter or opinion letter. To the Knowledge of the Companies, each such Employee Plan is so qualified and has been operated in compliance with applicable Legal Requirements and its terms, any related trust is exempt from federal income Tax under Code Section 501(a) and no event has occurred that will or reasonably could result in the loss of such Tax exemption or to Liability for any Tax under Code Section 511. There are no pending claims, lawsuits or actions relating to any Employee Plan (other than ordinary course claims for benefits) and, to the Companies’ Knowledge, none are threatened. Neither FM Bank nor any of its ERISA Affiliates provides welfare benefits to any service provider or dependent of such service provider after the termination of the service relationship other than as disclosed in this Agreement or any schedule hereto or as required by applicable Legal Requirements. Except as set forth on *Disclosure Schedule 3.33(b)*, no written or oral representations have been made to any employee or former employee of FMBank or any of its ERISA Affiliates promising or guaranteeing any employer payment or funding for the continuation of medical, dental, life or disability coverage or any other welfare benefit (as defined in ERISA Section 3(1)) for any period of time beyond the employee’s termination of employment with FMBank or any of its ERISA Affiliates (except to the extent of coverage required under Code Section 4980B or applicable state law). Compliance with FAS 106 would not create any material change to the Call Reports. Except as set forth on *Disclosure Schedule 3.33(b)*, the completion of the Contemplated Transactions will not cause a termination or partial termination, or otherwise accelerate the time of payment, exercise, or vesting, or increase the amount of compensation due to any employee, officer, former employee or former officer of FMAR or FMBank or any of their ERISA Affiliates under any Employee Plan except (i) as contemplated by this Agreement, or (ii) as identified on *Disclosure Schedule 3.33(b)*. There are no surrender charges, penalties, or other costs or fees that would be imposed by any Person against FMBank or any of its ERISA Affiliates, an Employee Plan, or any other Person, including an Employee Plan participant or beneficiary, as a result of the hypothetical

liquidation as of the Closing Date of any insurance, annuity, or investment contracts or any other similar investment held by any Employee Plan. No amount due under any Employee Plan is or will be subject to the excise tax of Section 4999 of the Code.

(c) Since January 1, 2011, no participant or beneficiary or non-participating employee has been denied any benefit due or to become due under any Employee Plan, and neither FMBank nor any of its ERISA Affiliates has willfully misled any Person as to his or her rights under any Employee Plan, or since January 1, 2011, failed to disclose any information or provide any documents required to be disclosed or provided. All obligations required to be performed by FMBank and its ERISA Affiliates under any Employee Plan have been performed in all material respects, and neither FMBank nor any of its ERISA Affiliates is in default under or in violation of any provision of any Employee Plan, which defaults or violations, in the aggregate, would be expected to result in a Material Adverse Change. To the Knowledge of the Companies, no event has occurred that would constitute grounds for an enforcement action by any party against FMBank or any of its ERISA Affiliates under Title 1 of ERISA under any Employee Plan.

(d) With respect to each Employee Plan:

(i) All Employee Plans that are “group health plans” (as defined in Code §5000(b)(1) and ERISA §733(a)) have been operated up to the Closing in a manner so as to not subject FMBank or any ERISA Affiliates thereof to any Liability under Code §4980B or §4980D or any provision of the Patient Protection and Affordable Care Act of 2010 (as amended);

(ii) No Employee Plan is subject to Title IV of ERISA or the minimum funding requirements of Section 412 of the Code or Section 302 of ERISA;

(iii) neither FMBank nor any of its ERISA Affiliates has ever maintained, contributed to, or had any direct or indirect obligation with respect to any “multiemployer plan” (as defined in Section 3(37) of ERISA) or “multiple employer plan” (as defined in Section 413(c) of the Code).

(e) Except as set forth on *Disclosure Schedule 3.33(e)*, all Employee Plan documents, annual reports or returns, audited or unaudited financial statements, actuarial valuations, summary annual reports, and summary plan descriptions issued with respect to the Employee Plans are correct, complete, and current in all material respects, and have been timely filed and/or distributed to participants to the extent required.

(f) No Employee Plan is invested in or provides the opportunity for the purchase of any employer security (within the meaning of ERISA §407(d)).

(g) Except as set forth on *Disclosure Schedule 3.33(g)*, neither FMAR nor FMBank nor any ERISA Affiliate thereof maintains any Employee Plan that is a “nonqualified deferred compensation plan” within the meaning of Code §409A(d)(I) of the Code. All

Employee Plans listed on *Disclosure Schedule 3.33(g)* comply with Code §409A and the regulations thereunder in form and operation.

(h) FMBank may withdraw at any time from any Employee Plan to which it contributes (but does not sponsor or maintain), including any such plan sponsored or maintained by FMAR, without incurring Liability except for unpaid premiums or contributions due for the pay period that includes the date of withdrawal or termination.

(i) With respect to the Employee Plan that is a self-funded health plan: (i) such plan was fully insured until June 30, 2013, and became self-funded as of July 1, 2013; (ii) a complete and accurate summary of claims incurred and reported for the period commencing on July 1, 2013, and continuing through December 31, 2013, has been delivered or made available to FMIB; (iii) the Companies have timely paid all claims incurred and reported; (iv) the Companies' financial statements accurately reflect any liability associated with such plan; and (v) stop loss insurance is in force with respect to such plan, and all premiums therefor have been timely paid.

Section 3.34. Obligations to Employees. All accrued obligations and liabilities of and all payments by FMBank and the Bank Subsidiaries, and all Employee Plans, whether arising by operation of law, by contract or by past custom, for payments to trusts or other funds, to any government agency or authority or to any present or former director, officer, employee or agent (or his or her heirs, legatees or legal representatives) have been and are being paid to the extent required by applicable Legal Requirements or by the plan, trust, contract or past custom or practice, and adequate actuarial accruals and reserves for such payments have been and are being made by FMBank and the Bank Subsidiaries according to GAAP and applicable Legal Requirements applied on a consistent basis and actuarial methods with respect to: (a) withholding taxes, unemployment compensation or social security benefits; and (b) all Employee Plans. All obligations and liabilities of FMBank and the Bank Subsidiaries for all other forms of compensation that are or may be payable to their current or former directors, officers, employees or agents, or pursuant to any Employee Plan, have been and are being paid to the extent required by applicable Legal Requirements or by the plan or contract, and adequate actuarial accruals and reserves for payment therefor have been and are being made by FMBank and the Bank Subsidiaries according to GAAP and generally accepted actuarial principles applied on a consistent basis. All accruals and reserves referred to in this Section are correctly and accurately reflected and accounted for in all material respects in the Call Reports and the books, statements and records of FMBank and the Bank Subsidiaries.

Section 3.35. Contracts and Commitments.

(a) Except as set forth in *Disclosure Schedule 3.35*, neither FMBank nor any Bank Subsidiary is a party to or bound by any of the following (whether written or oral, expressed or implied) (such agreements listed on the schedule being referred to herein as the "Contracts"):

ARTICLE IV. REPRESENTATIONS AND WARRANTIES OF FMIB

FMIB hereby makes the following representations and warranties to the Companies as of the date hereof; *provided, that* those representations and warranties which address matters only as of a particular date shall have been true and correct only on such date:

Section 4.01. Organization and Qualification. FMIB is a Maryland chartered trust company, duly organized, validly existing and in good standing under the laws of the State of Maryland and was formed solely for the purpose of engaging in the transactions contemplated hereby and has engaged in no business or activities other than in connection with the transactions contemplated by this Agreement. FMIB has all requisite corporate power and authority (including, without limitation, all material licenses, franchises, permits and other governmental authorizations as are required under all applicable Legal Requirements) to own, lease and operate its properties and assets as now owned, leased or operated, and to carry on its business as presently conducted. True and complete copies of the Constituent Documents of FMIB have been delivered to the Companies.

Section 4.02. Authority; Approvals. FMIB has full legal right, corporate power and authority to enter into and deliver this Agreement and the DIP Loan Agreement and, subject to the Sale Order, to carry out its obligations hereunder and thereunder; and the execution and delivery of this Agreement, the DIP Loan Agreement and all documents, instruments and agreements required to be executed and delivered by FMIB pursuant to this Agreement and the DIP Loan Agreement and, subject to the Sale Order, the consummation of the Contemplated Transactions have been duly and validly authorized by all necessary corporate action on the part of FMIB. This Agreement, the DIP Loan Agreement and all documents, instruments and agreements required to be executed and delivered by FMIB pursuant to this Agreement and the DIP Loan Agreement have been duly executed and delivered by FMIB and (assuming due authorization, execution and delivery by the Companies), constitute a legal, valid and binding obligation of FMIB, enforceable against FMIB in accordance with their respective terms, subject to the Bankruptcy Exception. No other corporate proceedings, including any shareholder approvals, are necessary for the execution and delivery by FMIB of this Agreement or the DIP Loan Agreement, the performance by FMIB of its obligations hereunder or thereunder or the consummation by FMIB of the Contemplated Transactions.

Section 4.03. No Conflict With Other Instruments. Neither the execution and delivery of this Agreement or the DIP Loan Agreement, nor, subject to the Sale Order, the consummation of the Contemplated Transactions, nor compliance by FMIB with any of the provisions hereof or thereof, will (i) materially violate, materially conflict with, or result in a material breach of any provision of, or constitute a material default (or an event which, with notice or lapse of time or both, would constitute a material default) under, or result in the termination of, or result in the loss of any benefit or creation of any material right on the part of any third party under, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of any material Encumbrance upon any of the material properties or assets of FMIB under any of the terms, conditions or provisions of (A) the Constituent Documents of FMIB, or (B) any material note, bond, mortgage, indenture, franchise, license, permit, agreement or other instrument or obligation to which FMIB is a party or by which it may be bound, or to which FMIB or any of the properties or assets of FMIB may be subject, or (ii) assuming the Company Required Approvals and the FMIB Required Approvals are duly obtained, violate in any material respect any Legal Requirement or any judgment, ruling, order, writ, injunction or decree applicable to FMIB or any of its properties or assets.

Section 4.04. Litigation. No legal action, suit or proceeding or judicial, administrative or governmental investigation is pending or, to FMIB's Knowledge, threatened against FMIB that would reasonably be expected to have a material adverse effect on the validity of this Agreement or the agreements contemplated hereby or any actions taken or to be taken by FMIB pursuant hereto or thereto, or seeks to enjoin or otherwise restrain the transactions contemplated hereby or thereby.

Section 4.05. Consents and Approvals. Subject to entry of the Sale Order, except as set forth on *Schedule 4.05* (the "FMIB Required Approvals"), no consent or approval of, notice to or filing with any Governmental Authority having jurisdiction over any aspect of the business or assets of FMIB or its Affiliates, and no consent or approval of or notice to any other Person, is required in connection with FMIB's execution, delivery or performance of this Agreement or the agreements contemplated hereby or the completion by FMIB of the transactions contemplated hereby or thereby. As of the date of this Agreement, FMIB knows of no reason why any of the FMIB Required Approvals should not be granted or that any of the Company Required Approvals will not be granted without imposition of a Burdensome Condition.

Section 4.06. Available Funds.

(a) FMIB has available or committed sources of funds sufficient to fund the full DIP Loan amount as required by the DIP Loan Agreement.

(b) FMIB has committed sources of funds to provide, and as of the Closing Date, FMIB will have in hand (or in escrow) the Equity Contribution, including the Purchase Price.

FMIB has provided to FMAR a complete and accurate form of the execution version of the Subscription Agreements. The Subscription Agreements are in full force and effect and constitute legal, valid and binding obligations of FMIB and, to the knowledge of FMIB, the other parties thereto..

Section 4.07. Brokers and Finders. Neither FMIB nor any of its officers, directors or employees have employed any broker, finder, financial advisor or investment banker or incurred any Liability for any brokerage, financial advisory, investment banking or other similar fees or commissions in connection with this Agreement and the transactions contemplated hereby.

FMIB will promptly furnish the Companies with advance copies of all such regulatory filings and all correspondence for which confidential treatment has not been requested.

(c) To the extent permitted by applicable Legal Requirements, FMIB and the Companies will promptly, but not later than five (5) Business Days after receipt of a written request by the other Parties, furnish to the other Party all information, data and documents responding to such request, including financial statements, required to be included in any application, notice, petition or statement to be made by or filed by FMAR, FMBank and/or FMIB with any Governmental Authority in connection with the Contemplated Transactions while this Agreement is pending, and the Companies and FMIB represent and warrant that all information so furnished for such applications, petitions and statements will not omit any material fact required to be stated therein or necessary to make the statements made, in light of the circumstances under which they were made, not misleading. FMIB and the Companies will otherwise fully cooperate in the filing of any applications or other documents necessary to complete the Contemplated Transactions.

Section 5.05. Certain Company Contracts. The Companies shall, at the Closing, pursuant to Section 365 of the Bankruptcy Code, assume (and take all actions reasonably requested by FMIB, including the payment of, or escrowing an amount to cover, cure costs, to effect assumption) assign and sell to FMBank those Bank Related Contracts as identified by FMIB by written notice given to the Companies no later than three (3) Business Days after entry of the Auction Procedures Order (such Bank Related Contracts, the “Assumed Bank Related Contracts”). In addition, FMAR shall cause the FMAR Subsidiaries (other than FMBank and the Bank Subsidiaries), at or prior to the Closing, to assign to FMBank those Bank Related Contracts of such FMAR Subsidiaries as identified by FMIB by written notice given to the Companies contemporaneously with the notice given by FMIB in accordance with the preceding sentence (such Bank Related Contracts, the “Other Bank Related Contracts”). In connection with the Bankruptcy Case, FMAR shall include in the Sale Motion, in form and substance acceptable to FMIB in its sole discretion, a request for authorization to assume and assign to FMBank the Assumed Bank Related Contracts. To the extent that, under any applicable non-bankruptcy Legal Requirement, any Assumed Bank Related Contract or Other Bank Related Contract may not be assigned to FMBank by FMAR (or any FMAR Subsidiary, as the case may be) absent the waiver or consent of, or notice to, one or more Persons, the Companies and FMIB shall use their commercially reasonable best efforts to obtain all such waivers or consents and to make all such notices prior to the Closing and shall cooperate in all respects with respect thereto. Notwithstanding anything in this Agreement to the contrary, the only liabilities or obligations that will be assigned to or assumed by FMBank with respect to the Assumed Bank Related Contracts and Other Bank Related Contracts will be those liabilities and obligations that first arise after Closing and not any liabilities or obligations for breaches or defaults occurring on or before Closing.

Section 5.06. Confidential Information.

(a) The Parties acknowledge the confidential and proprietary nature of the “Information” (as herein defined) which has heretofore been exchanged or otherwise received, and which will be exchanged or otherwise received, from each other hereunder (including, without limitation, Information of FMBank received by FMAR and/or FMIB or its respective employees or agents), and agree to hold and keep the same confidential. Such Information will include, without limitation, any and all financial, technical, commercial, marketing, customer or other information concerning the business, operations and affairs of a Party that may be provided

to any other Party, irrespective of the form of the communications, by such Party's employees or agents. Such Information shall not include information which is or becomes generally available to the public other than as a result of a disclosure by a Party or its employees or agents in violation of this Agreement. The Parties agree that the Information will be used solely for the purposes contemplated by this Agreement and that such Information will not be disclosed to any Person other than employees and agents of a Party who are directly involved in implementing the Contemplated Transactions, who shall be informed of the confidential nature of the Information and directed individually to abide by the restrictions set forth in this Section 5.06. The Information shall not be used in any way detrimental to a Party, including use directly or indirectly in the conduct of any Party's business or any business or enterprise in which such Party may have an interest, now or in the future, and whether or not now in competition with any Party.

(b) If (x) this Agreement is terminated prior to consummation of the Merger, or (y) Closing occurs, each Party shall, upon the written request of any Party, at its election return to such Party or destroy (such destruction to be confirmed in writing to such Party upon further written request) all materials, documentation, data, records and other papers and copies thereof (whether on paper or in electronic, magnetic, photographic, mechanical or optical storage) relating to FMIB or its Affiliates or to FMAR, FMBank, the Bank Subsidiaries, the FMBank Shares, or the businesses of FMBank and the Bank Subsidiaries, which are confidential and which are in the possession of such Party, and maintain the confidentiality of all such Information, and not use any such Information for any purpose whatsoever; *provided that* a Party may maintain such Information to the extent that such information would be commercially impracticable to return or destroy or as required by applicable Legal Requirements or such Party's bona fide document retention policies (including any practice or requirement to retain e-mail on an automated e-mail archival system) or relating to the safeguarding or backup storage of electronic data or in connection with a dispute with any Party.

(c) From and after Closing, any and all Information of FMBank shall be, and be deemed to be, confidential and proprietary Information of FMBank and its Affiliates (but not FMAR and its Affiliates).

(d) The obligations of each Party set forth in this Section 5.06 shall survive Closing or termination of this Agreement (as the case may be).

Section 5.07. Access; Pre-Closing Investigation. Subject to the provisions of Section 5.06 and upon reasonable notice to the Companies, FMAR will, and will cause FMBank to, afford the respective officers, directors, employees, attorneys, accountants, investment bankers and authorized representatives of FMIB and the Investors reasonable access, to the extent legally permissible, to the properties, books, contracts and records of the Companies, permit FMIB to make such inspections as it may require and furnish to FMIB, to the extent legally permissible, during such period all such Information concerning the Companies and their Affiliates and their affairs as FMIB or any of the Investors may reasonably request, in order that FMIB and the Investors may have full opportunity to make such reasonable investigation as any of them desires to make of the affairs of the Companies and their Affiliates, including, without limitation, access sufficient to verify the value of the assets and the liabilities of the Companies and their Affiliates

and the satisfaction of the conditions precedent to FMIB's obligations described in ARTICLE VI of this Agreement. FMIB will use its commercially reasonable efforts not to disrupt the normal business operations of FMAR and FMBank. The Companies agree at any time, and from time to time, to furnish to FMIB and the Investors as soon as reasonably practicable, any additional Information that FMIB or any Investor may reasonably request. All inspections by FMIB or any Investor under this Section 5.07 will be at the expense of FMIB or the Investor, as applicable, and shall be reasonably related to the Contemplated Transactions. Notwithstanding the foregoing, no Party shall be required to provide access to or to disclose Information where such access or disclosure relates to matters involving the Agreement, would violate the rights of such entity's customers, jeopardize the attorney-client privilege of the entity in possession or control of such information, or contravene any law, rule, regulation, order, judgment, decree or binding agreement entered into prior to the date of this Agreement. The Parties hereto will make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the previous sentence apply.

Section 5.08. [Reserved]

Section 5.09. Additional Financial Statements. The Companies will cause FMBank to promptly furnish FMIB with true and complete copies of each Call Report of FMBank prepared after the date of this Agreement promptly after such reports are made available to the FDIC.

Section 5.10. Notice of Certain Events.

(a) The Companies will promptly notify FMIB in writing:

(i) of the institution of any litigation against the Companies or the threat of any claim, controversy or contingent Liability that might reasonably be expected to become the subject of litigation involving the Companies or affecting any of their properties or assets that, if pending on the date hereof, would have been required to have been disclosed pursuant to Section 3.08 or that might reasonably be expected to result in a Material Adverse Change to FMBank,

(ii) of any legal action, suit or proceeding or judicial, administrative or governmental investigation commenced or, to the Knowledge of the Companies, threatened against the Companies that would reasonably be expected to have a material adverse effect on the validity of this Agreement or the agreements contemplated hereby or any actions taken or to be taken by the Companies pursuant hereto or thereto, or seeks to enjoin or otherwise restrain the transactions contemplated hereby or thereby, and

(iii) if any change or development has occurred or, to the Knowledge of the Companies, been threatened (or any development has occurred or been threatened involving a prospective change) that (A) is reasonably likely to have, individually or in the aggregate, a Material Adverse Change on FMBank, (B) would be reasonably likely to adversely affect, prevent or delay the obtaining of any regulatory approval for the completion of the Contemplated Transactions, or (C) would be reasonably likely to cause the conditions in Section 6.01 or Section 6.02 not to be met.

(b) FMIB will promptly notify the Companies in writing if:

(i) any legal action, suit or proceeding or judicial, administrative or governmental investigation, pending or, to the Knowledge of FMIB, threatened that would reasonably be expected to have a material adverse effect on the validity of this Agreement or the agreements contemplated hereby or any actions taken or to be taken by FMIB pursuant hereto or thereto or seeks to enjoin or otherwise restrain the transactions contemplated hereby or thereby, and

(ii) if any change or development has occurred or, to the Knowledge of FMIB, been threatened (or any development has occurred or been threatened involving a prospective change) that (A) would be reasonably likely to adversely affect, prevent or delay the obtaining of any regulatory approval for the completion of the Contemplated Transactions, or (B) would be reasonably likely to cause the conditions in Section 6.01 or Section 6.03 not to be met.

(c) Any notice provided by the Parties pursuant to this Section 5.10 shall not alter or diminish the right of the other Parties to terminate this Agreement pursuant to ARTICLE VIII hereof.

Section 5.11. Indemnification and D&O Insurance; Releases.

(a) From and for a period of six (6) years after the Closing, FMBank shall not, and shall not permit or cause its Affiliates or any other Person to, amend, repeal or otherwise modify any exculpation, indemnification and limitation of liability provisions of the Constituent Documents of FMBank in effect as of the date hereof in any manner that would adversely affect the rights of any Person entitled to indemnification thereunder (the “Indemnified Parties”). All provisions for exculpation, indemnification and limitation of liability now existing in favor of the Indemnified Parties as provided by any applicable Legal Requirement or in the Constituent Documents of FMBank in effect as of the date hereof shall survive the Closing for a period of six (6) years and shall continue in full force and effect (with respect to acts or omissions occurring prior to the Closing that were committed by such Indemnified Parties in their capacity as officers, directors or employees of FMBank) for such six (6) year period, or, in the case of matters occurring prior to the Closing that have been raised but have not been finally resolved prior to the sixth (6th) anniversary of the Closing, until such matters are finally resolved.

(b) FMBank shall purchase and obtain, as soon as is reasonably possible and in any event, no later than effective at the time of the Merger, a six-year “tail” policy (the “Bank D&O Tail Policy”) under the directors’ and officers’ liability insurance policies currently maintained by FMAR on behalf of itself, FMBank and their respective Affiliates, and any directors’ and officers’ liability insurance policies maintained directly by FMBank (collectively, the “Bank D&O Policies”) that provides equivalent primary and excess coverage to the existing coverage under the Bank D&O Policies. FMBank shall fully pay the premiums for the D&O Tail Policy, and upon such purchase and payment in full prior to the filing of the Bankruptcy Case, evidence of the same shall be provided by FMBank or FMAR to FMIB.

(c) Effective as of the Closing, FMAR, for itself and on behalf of its past, present and future officers, directors and/or other Affiliates (other than FMBank and the Bank Subsidiaries), and each of its and their past, present and future officers, directors, partners, managers, trustees, stockholders, members, employees, successors, assigns, heirs, executors, attorneys, agents and representatives (each, an "FMAR Releasor"), hereby irrevocably and unconditionally, knowingly and voluntarily, releases, acquits, remises, exonerates and forever discharges each of FMBank, each of the Bank Subsidiaries, each of the Investors, and each of its and their past, present and future officers, directors and/or other Affiliates, and each of its and their past, present and future officers, directors, partners, managers, trustees, stockholders, members, employees, successors, assigns, heirs, executors, attorneys, agents and representatives (each, an "FMBank Releasee"), of and from, and forever waives and relinquishes, any and all claims, demands, liabilities, defenses, affirmative defenses, setoffs, counterclaims, actions, causes of action, suits, debts, sums of money, accounts, demands, grievances, allegations, covenants, contracts, controversies, promises, agreements, damages, costs, expenses, attorneys fees, judgments and obligations, of whatever kind or nature, whether known or unknown, fixed or contingent, now existing or which may develop in the future, in law or in equity or otherwise (each, a "Claim," and collectively, "Claims"), which any FMAR Releasor (directly, or through FMAR or any Affiliate of FMAR) ever had, now has, or can, shall or may have in the future, against the FMBank Releasees (or any of them), from the beginning of time through the Closing, except for (i) Claims arising under, or in connection with, this Agreement or any of the Contemplated Transactions, (ii) Claims arising under, or in connection with, deposits or other accounts of the FMAR Releasors (or any of them) at FMBank and/or any of the Bank Subsidiaries, and (iii) Claims arising under, or in connection with, willful misconduct, willful malfeasance, and/or any criminal activity. From and after Closing, FMAR shall, and shall cause each FMAR Releasor to, refrain from, directly or indirectly, asserting any Claim or commencing, instituting or maintaining, or causing to be commenced, instituted or maintained, any legal or arbitral proceeding of any kind against any FMBank Releasee with respect to any matter released pursuant to this Section 5.11(c); provided that if any FMAR Releasor asserts any such Claim or takes any such action with respect to any such Claim, such FMAR Releasor, automatically, and without any further action by any FMBank Releasee, shall not be, or be deemed to be, an "FMAR Releasee," as defined in Section 5.11(d) hereof. This is a general release. The execution of this Agreement shall not constitute an acknowledgment of, or an admission by, any FMAR Releasor or FMBank Releasee of the existence of any Claims for any matter or precedent upon which any Claims may be asserted.

(d) Effective as of the Closing, FMBank, as the surviving entity in the Merger, for itself and on behalf of its past, present and future officers, directors and/or other Affiliates (other than FMAR and the FMAR Subsidiaries), and each of its and their past, present and future officers, directors, partners, managers, trustees, stockholders, members, employees, successors, assigns, heirs, executors, attorneys, agents and representatives (each, an "FMBank Releasor"), hereby irrevocably and unconditionally, knowingly and voluntarily, releases, acquits, remises, exonerates and forever discharges each of FMAR, each of the FMAR Subsidiaries (other than FMBank and the Bank Subsidiaries), and each of its and their past, present and future officers, directors and/or other Affiliates (other than FMBank and the Bank Subsidiaries), and each of its and their past, present and future officers, directors, partners, managers, trustees, stockholders, members, employees, successors, assigns, heirs, executors, attorneys, agents and

representatives (each, an “FMAR Releasee”), of and from, and forever waives and relinquishes, any and all Claims which any FMBank Releasor (directly, or through FMBank or any Affiliate of FMBank) ever had, now has, or can, shall or may have in the future, against the FMAR Releasees (or any of them), from the beginning of time through the Closing, except (i) Claims arising under, or in connection with, this Agreement or any of the Contemplated Transactions, (ii) Claims arising under, or in connection with, deposits or other accounts of the FMAR Releasees (or any of them) at FMBank and/or any of the Bank Subsidiaries, and (iii) Claims arising under, or in connection with, willful misconduct, willful malfeasance, and/or any criminal activity. From and after the Closing, FMBank, as the surviving entity in the Merger, shall, and shall cause each FMBank Releasor to, refrain from, directly or indirectly, asserting any Claim or commencing, instituting or maintaining, or causing to be commenced, instituted or maintained, any legal or arbitral proceeding of any kind against any FMAR Releasee with respect to any matter released pursuant to this Section 5.11(d); provided that if any FMAR Releasee asserts any Claim, or commences, institutes or maintains, or causes to be commenced, instituted or maintained, any legal or arbitral proceeding of any kind against any FMBank Releasee with respect to any matter released pursuant to Section 5.11(c) hereof, such FMAR Releasee, automatically, and without any further action by any FMBank Releasor, shall not be, or be deemed to be, an FMAR Releasee. This is a general release. The execution of this Agreement shall not constitute an acknowledgment of, or an admission by, any FMBank Releasor or FMAR Releasee of the existence of any Claims for any matter or precedent upon which any Claims may be asserted.

Section 5.12. Notice of Sale. Notice of this Agreement and notice of the Sale Motion and Sale Order and the hearings therefor shall be duly and properly given by FMAR by notice to all appropriate creditors and the appropriate parties in interest in the Bankruptcy Case.

Section 5.13. Resignations; Agreement Terminations. The Companies shall deliver to FMIB, with respect to each member of the Board of Directors of FMBank, a written resignation effective as of the Closing Date. In addition, (i) with respect to each individual identified on *Disclosure Schedule 3.33(a)* as being a party to an Employment Agreement listed under the heading “Employment Agreements” on such *Disclosure Schedule 3.33(a)*, the Companies shall deliver to FMIB (contemporaneously with the execution and delivery of this Agreement, which delivery is acknowledged to by FMIB) a fully-executed Employment Agreement (in form and substance approved by FMIB as of the date of this Agreement), dated as of the date of this Agreement but effective as of the Closing Date, which replaces the respective current Employment Agreement to which such individual is a party, and (ii) with respect to each individual identified on *Disclosure Schedule 3.33(a)* as being a party to a Retention and Success Bonus Agreement listed under the heading “Retention Agreements” on such *Disclosure Schedule 3.33(a)*, the Companies shall deliver to FMIB (contemporaneously with the execution and delivery of this Agreement, which delivery is acknowledged to by FMIB) a fully-executed First Amendment to Retention and Success Bonus Agreement (in form and substance approved by FMIB as of the date of this Agreement), dated as of the date of this Agreement but effective as of the Closing Date, which amends the respective current Retention and Success Bonus Agreement to which such individual is a party.

Section 5.14. Operating Functions. FMAR, FMBank and the Bank Subsidiaries shall cooperate with FMIB in connection with planning for the efficient and orderly combination of FMBank and FMIB and the operation of FMBank after the Merger. Without limiting the foregoing, FMBank shall provide office space and support services (and other reasonably requested support and assistance) in connection with the foregoing, and senior officers of FMAR, FMBank and FMIB shall meet from time to time as FMIB may reasonably request to review the financial and operational affairs of FMBank, and FMBank shall give due consideration to FMIB's input on such matters, with the understanding that, notwithstanding any other provision contained in this Agreement, (a) FMIB shall not under any circumstance have any right, or be permitted, to exercise control of FMBank or any Bank Subsidiaries prior to the consummation of the Merger, (b) neither FMAR nor FMBank shall be under any obligation to act in a manner that could reasonably be deemed to constitute anti-competitive behavior under federal or state antitrust Legal Requirements, and (c) neither FMAR nor FMBank shall be required to agree to any material obligation that is not contingent upon the consummation of the Merger.

Section 5.15. DIP Financing.

(a) Simultaneously with commencement of the Bankruptcy Case and pursuant to that certain Super-Priority Debtor-in-Possession Credit Agreement between FMIB as lender and FMAR as borrower, attached hereto as Exhibit A (the "DIP Loan Agreement"), FMIB will, subject to Section 5.15(b) below, provide to FMAR up to Two Million Five Hundred Thousand Dollars (\$2,500,000) as Debtor in Possession financing (the "DIP Loan") in order to permit FMAR to pay the reasonable and documented out-of-pocket third party fees and expenses actually incurred in connection with the Contemplated Transactions and the Bankruptcy Case.

(b) The DIP Loan Agreement will become effective upon (i) approval by the Bankruptcy Court and (ii) satisfaction of the conditions as set forth herein and in the DIP Loan Agreement. All amounts outstanding under the DIP Loan Agreement will become due and payable on the Maturity Date.

(c) The obligations of FMAR under the DIP Loan Agreement will be secured by a lien on substantially all of the assets of FMAR, including, without limitation, a pledge of the FMBank Shares and Other Purchased Assets. In addition, the obligations of FMAR under the DIP Loan Agreement will be entitled to super-priority administrative claim status pursuant to Section 364(c)(1) of the Bankruptcy Code.

(d) The Auction Procedures Order shall provide that if the Bankruptcy Court enters an order approving an Alternative Transaction, then on the first Business Day following entry of the Alternative Transaction Order, FMAR shall pay to FMIB, in accordance with wire transfer instructions provided by FMIB, from the Overbidder's Deposit of the Successful Bidder, an amount equal to all obligations of FMAR then outstanding under the DIP Loan, which payment shall be irrevocable and free and clear of all Encumbrances. No Qualified Bid may contain any provision that purports to alter or restrict the foregoing. The Companies shall not reduce or otherwise alter the Overbidder's Deposit required of any Qualified Bidder under the Auction Procedures or the Auction Procedures Order without the prior written consent of FMIB.

For the avoidance of doubt, in the event the Overbidder's Deposit of the Successful Bidder is insufficient to satisfy in full all obligations owing under the DIP Loan Agreement, FMAR will pay the remainder in full as promptly as possible from the proceeds of the substitute DIP Loan facility provided by the Successful Bidder or from any other source, including the proceeds of the sale to the Successful Bidder. Unless otherwise defined in this Agreement, capitalized terms as used in this subparagraph have the meaning set forth in Exhibit C hereto.

Section 5.16. Payment of the Broker Fees. At the Closing (immediately after the effective time of the Merger), subject to the receipt of customary release letters from the Broker in favor of the Parties in form and substance reasonably satisfactory to the Parties, FMBank shall pay to the Broker the Broker Fees in the amount of Two Million Dollars (\$2,000,000) in full satisfaction of all obligations of FM Bank or any Bank Subsidiary in connection with any engagement letters or other agreements of FMBank or any Bank Subsidiary with the Broker, including any agreement to which FMAR and FM Bank are both parties, and FMAR will cause the Broker to deliver to FMBank, the Bank Subsidiaries and FMIB a "pay off letter" in respect thereof in form and substance reasonably satisfactory to FMIB.

Section 5.17. Stalking Horse Bidder Fee. In consideration for FMIB serving as the stalking horse bidder, making a valuable offer for the FMBank Shares and the Other Purchased Assets, creating a bidding framework for higher and better offers, and agreeing to effect the Equity Contribution, and this Agreement being subject to termination in the event that the Companies receive a higher and better bid consistent with the Auction Procedures, and regardless of whether or not FMIB makes any matching or competing bids, the Companies shall pay to FMIB a stalking horse bidder fee (the "Stalking Horse Bidder Fee") in an aggregate amount equal to the sum of (i) One Million Dollars (\$1,000,000), of which: Seven Hundred Fifty Thousand Dollars (\$750,000) shall be payable by FMBank, and Two Hundred fifty Thousand Dollars (\$250,000) shall be payable by FMAR; and (ii) an expense reimbursement of all reasonable and documented fees and expenses incurred by FMIB and the Investors in connection with the Contemplated Transactions, including but not limited to, legal, accounting, due diligence and other fees and expenses associated with the preparation of its bid, not to exceed One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000) (the "Expense Reimbursement"). The Stalking Horse Bidder Fee shall be payable to FMIB in full in cash (in accordance with wire transfer instructions to be provided by FMIB) on the first Business Day following entry of an order by the Bankruptcy Court approving an Alternative Transaction. The Parties intend that the Stalking Horse Bidder Fee shall be treated as a superpriority administrative expense in the Bankruptcy Case.

The Companies acknowledge and agree that: (i) the approval of the Stalking Horse Bidder Fee is an integral part of the transactions contemplated by this Agreement; (ii) in the absence of the Companies' obligation to pay the Stalking Horse Bidder Fee, FMIB would not have entered into this Agreement; (iii) the entry of FMIB into this Agreement is necessary for preservation of the estate of the Companies and is beneficial to the Companies because, in the Companies' business judgment, it will enhance the Companies' ability to maximize the value of FMAR's assets for the benefit of its creditors and other stakeholders; (iv) the Stalking Horse Bidder Fee is reasonable in relation to FMIB's expenses incurred in, and FMIB's lost opportunities resulting from the time spent, pursuing the Contemplated Transactions; and (v)

time is of the essence with respect to the entry of the Auction Procedures Order by the Bankruptcy Court, approving, among other things, the process by which bids may be solicited in connection with the sale pursuant to Section 363 of the Bankruptcy Code as contemplated in this Agreement. The Companies' agreement to pay the Stalking Horse Bidder Fee in accordance with the terms of this Agreement is subject to Bankruptcy Court approval, which approval shall be set forth in the Auction Procedures Order. The Auction Procedures Order shall provide, without limitation, that the Companies are authorized and directed to pay the Stalking Horse Bidder Fee to FMIB in full in cash, in accordance with the terms of this Agreement without further order of the Bankruptcy Court, which payment shall be indefeasible and free and clear of all Encumbrances.

Section 5.18. Debtor-in-Possession. During the pendency of the Bankruptcy Case, FMAR shall continue to operate its business as debtor-in-possession pursuant to the Bankruptcy Code.

Section 5.19. The Sale Motion. On or within one (1) Business Day following the Petition Date, FMAR shall file a sale motion with the Bankruptcy Court (the "Sale Motion") seeking relief from the Bankruptcy Court in a form and substance reasonably acceptable to FMIB, including, without limitation, the following:

(a) Hearing to approve the Auction Procedures and entry of the Auction Procedures Order no later than twenty-five (25) days following the Petition Date;

(b) Bid Deadline no later than thirty (30) days following the entry of the Auction Procedures Order;

(c) Auction held no later than five (5) days following the Bid Deadline;

(d) Sale Hearing to take place no later than two (2) days following the Auction, or, if there are no Qualified Overbidders, no later than five (5) days following the Bid Deadline;

(e) Requesting entry of the Sale Order, including provisions authorizing and approving the sale, assignment and transfer of the Other Purchased Assets to FMBank (including the sale, assignment and assumption of the Assumed Bank Related Contracts, if any), free and clear of all Encumbrances, and the Acquisition and Merger contemplated herein, including the merger of FMIB with and into FMBank with FMBank being the surviving Person, the transfer of the FMBank Shares outstanding prior to the Merger, free and clear of all Encumbrances, and the Acquisition of all FMBank Shares by the Investors in the Merger, free and clear of all Encumbrances;

(f) Subject to the Bankruptcy's Court waiver of Bankruptcy Rule 6004, confirmation that FMIB and the Companies may cause the Closing to occur as soon as reasonably practicable after the entry of the Sale Order; and

(g) Approval of findings of fact and conclusions of law in the Sale Order reasonably similar to, but not limited to, the following:

(i) the Notice of Sale, and the parties who were served with copies of such Notice, were in compliance with Sections 102(1) and 363 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, and 9014 and any other applicable provision of the Bankruptcy Code, the Bankruptcy Rules, or any local bankruptcy rule governing the sale of assets free and clear of Encumbrances, or as directed by the Bankruptcy Court as long as the Bankruptcy Court finds that such notice is sufficient under the circumstances;

(ii) the requirements imposed by Section 363(f) of the Bankruptcy Code for the sale of the FMBank Shares and the assignment and transfer of the Other Purchased Assets, free and clear of Encumbrances, have been satisfied;

(iii) the Successful Bidder is a purchaser of FMBank and the Other Purchased Assets in “good faith” pursuant to Section 363(m) of the Bankruptcy Code, and the sale pursuant to the Sale Order (the “Sale”) is entitled to the protections of Section 363(m);

(iv) the Successful Bidder and the Companies did not engage in any conduct which would allow this Agreement to be set aside pursuant to Section 363(n) of the Bankruptcy Code;

(v) the Assumed Bank Related Contracts have been assumed and assigned to the Successful Bidder pursuant to Section 365 of the Bankruptcy Code;

(vi) the Companies and FMIB are authorized and directed to proceed with the Merger in accordance with the provisions of this Agreement;

(vii) pursuant to Sections 105 and 363 of the Bankruptcy Code, any creditors of the Companies or their Subsidiaries are prohibited from taking any actions against the Successful Bidder or the Companies in respect of FMBank Shares or the Other Purchased Assets; and

(viii) the terms and provisions of the Sale are fair and reasonable.

Section 5.20. The Auction Procedures.

(a) The Auction Procedures and the Auction Procedures Order shall be in form and substance reasonably acceptable to FMIB.

(b) Subject to the Auction Procedures, to be qualified to receive any confidential Information from the Companies, a potential bidder must submit to the Companies, prior to the receipt of any such Information, an executed confidentiality agreement which shall inure to the benefit of the Successful Bidder, in a form and substance acceptable to the Companies and on terms no more favorable than those provided by FMAR in the confidentiality agreement dated November 25, 2013 between FMAR and RKJS, Inc. To be qualified (i) to be an

Overbidder (defined below), and (ii) to participate in the Auction, a potential bidder must submit to the Companies before the Bid Deadline (defined below) current audited financial statements and the latest unaudited financial statements of the potential bidder or, if such potential bidder is an entity formed for the purpose of acquiring the FMBank Shares and the Other Purchased Assets, current audited financial statements and the latest unaudited financial statements of the equity holders or sponsors of such potential bidder who will guarantee the obligations of such potential bidder, or such other form of financial disclosure and/or credit quality support or enhancement, if any, that will allow FMAR to make a reasonable determination as to such potential bidder's financial and other capabilities to consummate the Sale (including, but not limited to, the ability to obtain all necessary regulatory approvals and to fund the Equity Contribution (or the financial equivalent thereof) for the ownership of the FMBank Shares and the Other Purchased Assets on a timely basis).

(c) Subject to the Auction Procedures, based on the materials received by it, FMAR shall determine whether any potential bidder that has timely submitted the materials referred to in Section 5.20(b) above qualifies to submit a bid (such qualifying potential bidder, an "Overbidder").

(d) Subject to the Auction Procedures, in order to participate at the Auction, an Overbidder must submit the following to the Companies:

(i) a proposed acquisition agreement (the "Competing Acquisition Agreement") executed by the Overbidder, along with a redlined, marked copy showing all changes between the Competing Acquisition Agreement and this Agreement, that: (A) is on substantially the same terms and conditions as those in this Agreement (provided that a Competing Acquisition Agreement may provide for a structure for the Acquisition other than a merger); (B) provides for a purchase price to be paid to FMAR that exceeds the Purchase Price by at least the amount of the Stalking Horse Bidder Fee (for purposes hereof, the amount of the Expense Reimbursement shall be deemed to be the maximum amount set forth in Section 5.17 hereof) plus Two Hundred Fifty Thousand Dollars (\$250,000) (such aggregate amount of the Purchase Price, the Stalking Horse Bidder Fee, and Two Hundred Fifty Thousand Dollars (\$250,000), the "Minimum Overbid"); (C) will result in a recapitalization of FMBank of at least the Recapitalization Amount (or the financial equivalent thereof); (D) remains irrevocable until the earlier of the closing of a purchase of the FMBank Shares and the Other Purchased Assets by the Successful Bidder and April 30, 2014, or such later date as may be agreed by the Companies and the Overbidder (the "Overbidder Outside Date"); (E) disclaims any right of the Overbidder to receive any fee analogous to the Stalking Horse Bidder Fee, any transaction or breakup fee, expense reimbursement or similar fee or payment; (F) contains a proposed closing date that is not later than the Overbidder Outside Date; and (G) provides for a portion of the Successful Bidder's Overbidder's Deposit to be applied, no later than one Business Day after the Bankruptcy Court's approval of the Successful Bid, to pay in full all obligations outstanding under the DIP Loan Agreement, including all accrued interest, costs, expenses and fees contemplated thereunder;

(ii) a proposed replacement postpetition financing facility (the "Replacement DIP Facility") to replace the DIP Loan on terms that are substantially the same, and at least as favorable to the Debtor, as the terms of the DIP Loan Agreement. In order to

satisfy this requirement, the Overbidder shall include an executed mark-up of the DIP Loan Agreement, along with an electronic mark-up showing all changes to the DIP Loan Agreement.

(iii) a cashier's check made payable to the order of FMAR, or wire transfer to FMAR, in either case, to be deposited into a separate debtor-in-possession account, in the amount of (A) the Stalking Horse Bidder Fee (for purposes hereof, the amount of the Expense Reimbursement shall be deemed to be the maximum amount set forth in Section 5.17 hereof), plus (B) the Minimum Overbid amount of \$250,000, plus (C) the Maximum DIP Loan Amount (such sum being referred to herein as the "Overbidder's Deposit"), which will be retained by FMAR as a nonrefundable good faith deposit for application against the purchase price at the closing of the transaction or returned to the Overbidder in accordance with Section 5.20(m) or otherwise applied as set forth in Section 5.20(n);

(iv) reasonable information establishing that the Overbidder has the financial ability to pay the purchase price set forth in the Competing Acquisition Agreement and close the transactions contemplated thereby; and

(v) be accompanied by reasonable information establishing that the Overbidder is capable of obtaining all required regulatory approvals to perform all of its obligations under the Competing Acquisition Agreement and to close the transactions contemplated thereby not later than the Overbidder Outside Date.

(e) To be a "Qualified Bid," a bid received from an Overbidder must meet the requirements set forth above. FMAR will have a right to determine whether a bid received from an Overbidder (and any bid submitted at the Auction by an Overbidder) meets such requirements if, in the good faith opinion of FMAR, after consulting with its investment bankers and financial and legal advisors, (i) the requirements set forth above are met, (ii) such bid is determined not to be materially more burdensome or conditional than the terms of this Agreement and (iii) FMAR reasonably believes that such bid can be consummated before the Overbidder Outside Date if selected as a Successful Bid. FMIB's Acquisition proposal (as set forth in this Agreement), and bids received from FMIB at the Auction, shall also be Qualified Bids.

(f) FMIB, and any entity that is determined to have submitted a Qualified Bid by FMAR, shall each be deemed a "Qualified Bidder" and may bid for the FMBank Shares and Other Purchased Assets at the Auction. Only Qualified Bidders and their duly authorized representatives will be permitted to attend and participate in the Auction. FMAR shall, promptly upon receipt of any overbid, provide copies of such overbid to FMIB.

(g) Subject to the terms of the Auction Procedures, the deadline for submitting bids by an Overbidder shall be five (5) days before the Auction (the "Bid Deadline").

(h) Subject to the terms of the Auction Procedures, if on the Bid Deadline, no conforming Qualified Bid is received from a Qualified Overbidder, FMAR shall not conduct an Auction; FMIB shall be deemed the Successful Bidder; and FMAR shall proceed to request at the Sale Hearing that the Bankruptcy Court approve this Agreement, including the Merger and the sale, assignment and transfer of the Other Purchased Assets, and the sale, assumption and

assignment of the Assumed Bank Related Contracts, and request that the Sale Order be entered by the Bankruptcy Court and that the Sale Order shall be made immediately effective upon entry, notwithstanding the provisions of Rule 6004(h) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 62(g) of the Federal Rules of Civil Procedure.

(i) Subject to the terms of the Auction Procedures, if on the Bid Deadline, one or more timely conforming Qualified Bids from one or more Qualified Overbidders are received, the Companies shall conduct an auction of the FMBank Shares and Other Purchased Assets (the “Auction”), in which FMIB and all Qualified Overbidders may participate.

(j) Subject to the terms of the Auction Procedures, the following procedures will govern the Auction:

(i) all Qualified Overbidders shall be deemed to have consented to the exclusive and core jurisdiction of the Bankruptcy Court and to have waived any right to jury trial in connection with any disputes relating to the Auction, the Merger and sale, assignment and transfer of the Other Purchased Assets, and any other matter relating to, or contemplated by, this Agreement, any Competing Acquisition Agreement or the Sale Motion;

(ii) in valuing bids, and for purposes of calculating each successive overbid by FMIB at the Auction, the Companies shall deem each bid by a Qualified Overbidder to have been automatically reduced by the amount of the Stalking Horse Bidder Fee (and for purposes hereof, the amount of the Expense Reimbursement shall be deemed to be the maximum amount set forth in Section 5.17 hereof);

(iii) bidding will start at the amount of the highest bid submitted by a Qualified Overbidder, as determined by FMAR;

(iv) each subsequent bid shall be in increments of no less than Two Hundred Fifty Thousand Dollars (\$250,000);

(v) FMIB shall have the right to credit-bid any and all obligations outstanding under the DIP Loan Agreement;

(vi) immediately before concluding the Auction, the Companies shall: (a) review each Qualified Bid for its financial and contractual terms and the factors relevant to the Sale process and the best interests of the Companies’ estate, its creditors and other parties-in-interest therein; and (b) determine and identify the highest or otherwise best Qualified Bid (the “Successful Bid”) and the Qualified Bidder submitting such bid (the “Successful Bidder”);

(vii) if, at the Auction’s conclusion and consistent with the Auction Procedures’ terms, FMIB’s final bid is greater than the highest bid made by any Qualified Overbidder, the Bankruptcy Court shall approve this Agreement, including the Acquisition, and the amount of FMIB’s final bid shall constitute the Purchase Price under this Agreement; and

(viii) FMAR may elect to deem a final bid to be the highest or otherwise best bid, notwithstanding the receipt of an apparently higher bid from an Overbidder, if FMAR

reasonably concludes that such final bid is more beneficial to its bankruptcy estate and stakeholders.

(k) FMIB has standing and is deemed to be a party in interest with standing to be heard on any motion, hearing or other matter related to this Agreement or any bid, or other sale of any FMBank Shares and Other Purchased Assets.

(l) A hearing to consider approval of the Sale to the Successful Bidder (or to approve this Agreement if no Auction is held or the Successful Bid is by FMIB) will take place no later than forty (40) days after entry of the Auction Procedures Order in the Bankruptcy Court (the "Sale Hearing").

(m) Except as otherwise provided in the Auction Procedures, or as set forth below with respect to any Successful Bidder, the Overbidder's Deposit for all Overbidders required to submit such a deposit under the Auction Procedures shall be returned within three (3) Business Days after the Auction concludes, or, if no Auction is held, within three (3) days after the Sale Hearing.

(n) On the first Business Day following entry of the Sale Order relating to an Alternative Transaction with a Successful Bidder other than FMIB, a portion of the Overbidder's Deposit shall be paid by FMAR to the DIP Loan lender to indefeasibly pay in full all outstanding obligations under the DIP Loan Agreement (including all principal, accrued interest and fees contemplated thereby), to satisfy all obligations of FMAR under the DIP Loan Agreement, and the DIP Loan lender shall have no further obligations of any kind under the DIP Loan Agreement. Contemporaneously with such payment, a portion of the Overbidder's Deposit of the Successful Bidder shall be paid to FMIB in accordance with Section 5.17 hereof. The remaining amount of the Overbidder's Deposit of the Successful Bidder shall be held until the closing of such transaction and applied in accordance with the Successful Bid. If any sale to a Successful Bidder other than FMIB fails to close on or before the Overbidder Outside Date, such Successful Bidder's Overbidder's Deposit shall be forfeited to, and retained by, the Companies.

Section 5.21. Bankruptcy Efforts. FMIB and the Companies shall use their commercially reasonable best efforts to cause the Bankruptcy Court to (a) enter the Auction Procedures Order and the Sale Order, and (b) approve the Stalking Horse Bidder Fee.

Section 5.22. Non-Solicitation of Competing Bids. Except in accordance with the Auction Procedures Order (once entered by the Bankruptcy Court) and except to the extent the Companies reasonably believe is required to fulfill the fiduciary duties owed to FMAR or FMBank, the Companies shall not, and shall cause their Affiliates and representatives not to, (a) solicit or negotiate with any Person (and to cease immediately any such ongoing activity), or enter into any agreement or understanding with respect to, or approve or recommend, any direct or indirect sale of any equity interest in, or any material portion of the assets of, FMAR or FMBank or any extraordinary corporate transaction directly or indirectly involving FMAR or FMBank or (b) provide any Person (other than FMIB and its Affiliates, agents and representatives) with access to the books, records, operating data, contracts, documents or other information relating to FMBank. The Companies shall promptly notify FMIB of any proposals or offers from any third party to acquire, directly or indirectly, all or any substantial portion of the

assets, properties, rights and interests of FMAR or FMBank received by the Companies after the date hereof until the Bankruptcy Court shall have entered the Auction Procedures Order, and the Companies shall promptly communicate to FMIB the material terms of such offer or bid. From and after the date of this Agreement, the Company shall provide FMIB with the names of Persons who enter into a confidentiality agreement with the Companies with respect to a potential transaction involving FMBank as provided for in the Auction Procedures within two (2) Business Days of entry into the same. FMIB shall treat the names of the Persons entering into such confidentiality agreements as Information and in accordance with the provisions of Section 5.06 hereof.

Section 5.23. Bankruptcy Filings. From and after the date of this Agreement until the Closing, each party to this Agreement shall use its reasonable best efforts to provide the other parties with a copy of such papers or pleadings as soon as practicable before filing any papers or pleadings in the Bankruptcy Case that relate in any way to this Agreement, the Sale, the Auction Procedures, the Proposed Transaction, the Companies or FMIB.

Section 5.24. Plan. The Companies covenant and agree that if the Sale Order is entered, the terms of any plan of reorganization or liquidation submitted, supported or sponsored by FMAR for confirmation shall not conflict with, supersede, abrogate, nullify, modify or restrict the terms of this Agreement and the rights of FMIB hereunder, or in any way prevent or interfere with the consummation or performance of the transactions contemplated by this Agreement, including any transaction that is approved pursuant to the Sale Order.

Section 5.25. Appeal. If the Sale Order or the Auction Procedures Order is appealed by any Person, or petition for certiorari or motion for rehearing, reconsideration or rehearing is filed with respect thereto, the Companies agree to take all action as may be reasonably necessary to defend against and oppose such appeal, petition or motion.

Section 5.26. Update of Representations. If between the date of this Agreement and the Closing Date, any event occurs (which, for the avoidance of doubt shall include the Companies first obtaining Knowledge of an event occurring prior to the date of this Agreement) which would make any representation or warranty of the Companies in ARTICLE III hereof untrue or inaccurate in all respects (in the case of any representation or warranty qualified by materiality or Material Adverse Change) or in all material respects (in the case of any representation or warranty not qualified by materiality or Material Adverse Change), then the Companies shall promptly notify FMIB of such events in writing (together with all material information relating thereto). If between the date of this Agreement and the Closing Date, any event occurs (which, for the avoidance of doubt shall include FMIB first obtaining Knowledge of an event occurring prior to the date of this Agreement) which would make any representation or warranty of FMIB in ARTICLE IV hereof untrue or inaccurate, then FMIB shall promptly notify the Companies of such events in writing (together with all material information relating thereto).

Section 5.27. Name Change. Within five (5) days after the entry of the Sale Order, but subject to Bankruptcy Court approval, FMAR shall change its name to a name that no longer has any variation of "First Mariner" or "1st Mariner," or any words that would be associated with such words.

Section 5.28. Employee Transition. The Parties shall use reasonable efforts to address issues related to employee transition, if necessary.

ARTICLE VI. CONDITIONS TO CLOSING

(a) **Government and Other Approvals.** FMIB shall have received all of the FMIB Required Approvals, and the Companies shall have received all of the Company Required Approvals, which approvals shall not impose any Burdensome Condition in the reasonable opinion of FMIB, and all applicable waiting periods having expired. Further, the approvals and the Contemplated Transactions shall not have been contested or threatened to be contested by any Governmental Authority.

(b) **Bankruptcy Court Approvals.** The Bankruptcy Court shall have entered (i) the Auction Procedures Order in substantially the same form as Exhibit B as a Final Order, or in such other form and manner as may be reasonably acceptable to FMIB, which order shall include, among other provisions reasonably acceptable to FMIB, provisions (A) approving the bidding procedures in substantially the same form as Exhibit C, (B) approving the Stalking Horse Bidder Fee, (C) scheduling an Auction and a Sale Hearing, and (D) approving the form and manner of notice of the Sale Motion and Sale Hearing, and (ii) the Sale Order in substantially the same form as Exhibit D as a Final Order, or in such other form and manner as may be reasonably acceptable to FMIB, which order shall include, among other provisions acceptable to FMIB, provisions (A) finding that notice of Sale Hearing was given in accordance with the Bankruptcy Code and constitutes such notice as is appropriate under the particular circumstances, (B) finding that FMIB is a “good faith” purchaser entitled to the protections afforded by §363(m) of the Bankruptcy Code, (C) finding that FMIB’s acquisition of the FMBank Shares and Other Purchased Assets pursuant to this Agreement shall be free and clear of all Encumbrances, and (D) approving the transactions proposed by this Agreement.

(c) **No Litigation.** No action shall have been taken, and no statute, rule, regulation or order has been promulgated, enacted, entered, enforced or deemed applicable to the Agreement by any Governmental Authority or by any court, including the entry of a preliminary or permanent injunction, that would (i) make this Agreement or any other agreement contemplated hereby, or the transactions contemplated hereby or thereby illegal, invalid or unenforceable, (ii) prohibit, restrict, make illegal or impose material limits on the ability of any Party to this Agreement to perform its obligations and agreements under this Agreement or any other agreement contemplated hereby, or consummate the transactions contemplated hereby or thereby, or (iii) if this Agreement or any other agreement contemplated hereby, or the transactions contemplated hereby or thereby are completed, subject FMBank or any officer, director, shareholder or employee of FMBank to criminal or civil Liability. Further, no action or proceeding before any court or Governmental Authority or by any other Person shall have been

threatened, instituted or pending that would reasonably be expected to result in any of the consequences referenced in clauses (i) through (iii) above.

Section 6.02. Conditions to the Obligations of FMIB. The obligations of FMIB to consummate the Contemplated Transactions are subject to the satisfaction, at or prior to Closing, of each of the following conditions, which may be waived in whole or in part by FMIB:

(a) Representations and Warranties. All representations and warranties made by the Companies in this Agreement or in any document or schedule delivered to FMIB in connection with this Agreement shall be true and correct in all respects (in the case of any representation or warranty qualified by materiality or Material Adverse Change) or in all material respects (in the case of any representation or warranty not qualified by materiality or Material Adverse Change) as of the date of this Agreement and as of the Closing with the same force and effect as if such representations and warranties were made as of the Closing, except with respect to those representations and warranties specifically made as of an earlier date (in which case such representations and warranties must have been true as of such earlier date).

(b) Performance of Obligations. The Companies shall have duly performed and complied in all material respects with all agreements, covenants and conditions required by this Agreement to be performed by or complied with by the Companies at or before the Closing; *provided, that*, with respect to agreements, covenants and conditions that are qualified by materiality, the Companies shall have performed such agreements, covenants and conditions, as so qualified, in all respects.

(c) No Material Adverse Change. From the date of this Agreement, there shall not have occurred any Material Adverse Change, nor shall any event or events have occurred that, individually or in the aggregate, with or without the lapse of time, could reasonably be expected to result in a Material Adverse Change.

(d) Deliverables. The Companies shall have provided, or caused to be provided, to FMIB the documents required to be delivered by the Companies as set forth in Section 7.01.

(e) KPMG Opinion. FM Bank shall have received an opinion from KPMG (dated as of the Closing Date), reasonably satisfactory to FMIB, to the effect that, (i) based on the most current information available prior to the Closing as provided by FMAR and FMBank to KPMG, it is more likely than not that Section 382(l)(6) of the Code will apply to the Contemplated Transactions such that the “value” of FMBank (within the meaning of Section 382(e) of the Code) for purposes of calculating the “section 382 limitation” (within the meaning of Section 382(b) of the Code) shall include any and all capital contributed by FMIB to FMBank pursuant to, and in connection with, the Contemplated Transactions, and (ii) an “ownership change” (within the meaning of Section 382 of the Code) has not occurred in the three (3) years prior to the Closing.

(f) Regulatory Orders. From the date of this Agreement until the Closing Date, (i) FMBank shall not have been subject to any new commitment letter, memorandum of understanding, cease and desist order, written agreement or other formal or informal

administrative action with any Governmental Authority, and, except with respect to any requirement to meet specified capital requirements, FMBank shall have been in material compliance with the requirements of any commitment letter, memorandum of understanding, cease and desist order, written agreement or other formal or informal administrative action in existence as of the date of this Agreement, and (ii) there shall not have been any, and there are no, actions or proceedings pending or, to the Knowledge of the Companies, threatened against FMBank by or before any such Governmental Authority.

(g) Bank D&O Policies. FMBank shall have purchased and obtained, and shall have fully paid the premiums for, the Bank D&O Tail Policy in accordance with Section 5.11(b) hereof.

(h) Delivery of Resignations and/or Termination Evidence. FMIB shall have received from the Companies the items required by Section 5.13.

Section 6.03. Conditions to the Obligations of the Companies. The obligations of the Companies to consummate the Contemplated Transactions under this Agreement are subject to the satisfaction, at or prior to Closing, of each of the following conditions, which may be waived in whole or in part by the Companies:

(a) Representations and Warranties. All representations and warranties made by FMIB in this Agreement or in any document or schedule delivered to the Companies in connection with this Agreement shall be true and correct in all respects (in the case of any representation or warranty qualified by materiality or Material Adverse Change) or in all material respects (in the case of any representation or warranty not qualified by materiality or Material Adverse Change) as of the date of this Agreement and as of the Closing with the same force and effect as if such representations and warranties were made as of the Closing, except with respect to those representations and warranties specifically made as of an earlier date (in which case such representations and warranties must have been true as of such earlier date).

(b) Performance of Obligations. FMIB shall have duly performed and complied in all material respects with all agreements, covenants and conditions required by this Agreement to be performed by or complied with by FMIB at or before the Closing; *provided, that*, with respect to agreements, covenants and conditions that are qualified by materiality, FMIB shall have performed such agreements, covenants and conditions, as so qualified, in all respects.

(c) Deliverables. FMIB shall have provided, or caused to be provided, to the Companies the documents required to be delivered by FMIB as set forth in Section 7.02.

On a date mutually acceptable to FMIB and FMAR that is the later of (a) the receipt of all necessary regulatory, corporate, and other approvals and the expiration of any mandatory waiting periods, or (b) within (i) five (5) Business Days of the entry of a Sale Order by the Bankruptcy Court as a Final Order, or in such other form and manner as may be acceptable to FMIB and FMAR, or (ii) two (2) Business Days of a transaction between the Companies and the Successful Bidder failing to timely close (the "Closing Date"), a meeting (the "Closing") will take place at which the Parties to this Agreement will exchange certificates, letters and other documents in order to determine whether all of the conditions set forth in ARTICLE VI have been satisfied or waived or whether

any condition exists that would permit a Party to this Agreement to terminate this Agreement. If none of the foregoing conditions then exists or if no Party elects to exercise any right it may have to terminate this Agreement, then the Parties will execute such documents and instruments as may be necessary or appropriate in order to effect the Contemplated Transactions. The Closing will take place at the offices of Venable LLP, 750 East Pratt Street, Baltimore, Maryland 21202 at 10:00 a.m., or at such other time and place to which the Parties may agree. If the applicable Closing Date would occur during the first 10 Business Days of a month, at the election of FMIB, such closing may be delayed until the twelfth (12th) Business Day of such month.

ARTICLE VIII. TERMINATION

Section 8.01. Termination.

(a) In the event that the Closing has not occurred on or before April 30, 2014, or such later date as may be agreed in writing by the Parties (the “Outside Date”), either FMIB or the Companies may terminate this Agreement, in which event the Parties will be released from all obligations under this Agreement except that the Companies will not be released from the obligation to pay the Stalking Horse Bidder Fee in accordance with Section 5.17 hereof unless FMIB is in material breach of this Agreement; provided, however, that the right to terminate this Agreement pursuant to this Section 8.01(a) shall not be available to any party whose failure to perform (including, in the case of the right of FMAR, FMBank's failure to perform) any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur on or prior to such date. In all events, the DIP Loan shall be repaid in accordance with the DIP Loan Agreement as contemplated in Section 5.15 hereof.

(b) This Agreement may also be terminated prior to the Closing:

(i) by the mutual consent of FMIB and the Companies, duly authorized by the Board of Directors of each of FMIB and the Companies;

(ii) by either FMIB or the Companies, if FMIB or any of its Affiliates received written notice by a Governmental Authority that it will not grant (or intends to rescind or revoke if previously approved) any of the FMIB Required Approvals or Company Required Approvals, or receives written notice from or is otherwise advised by such Governmental Authority that it will not grant any such FMIB Required Approval or Company Required Approval on the terms contemplated by this Agreement without imposing any Burdensome Condition;

(iii) by FMIB, if the Bankruptcy Court has not entered the Auction Procedures Order, in a form reasonably satisfactory to FMIB, within thirty (30) days of the Petition Date or if the Auction Procedures Order has been entered but stayed;

(iv) by either FMIB or the Companies, if the Bankruptcy Court declines to enter the Auction Procedures Order in a form reasonably satisfactory to FMIB;

(v) by FMIB upon two (2) days' prior written notice by FMIB to the Companies, if the Bankruptcy Court fails to approve the Stalking Horse Bidder Fee as part of the Auction Procedures Order; *provided that* such notice of termination is provided to the Companies not later than the end of the tenth Business Day following the entry of such Auction Procedures Order;

(vi) by FMIB (solely in the event any portion of the DIP Loan has been advanced and is outstanding), if the DIP Loan Agreement has been terminated or the outstanding loans thereunder have been accelerated in accordance with the terms thereof, except if (a) payment in full of all obligations thereunder has been made, or (b) such termination of the DIP Loan Agreement is due to FMIB's material breach of its obligations thereunder;

(vii) by the Companies, if FMIB fails to fund a properly made request for a DIP Loan under Section 2.2 of the DIP Loan Agreement within seven (7) Business Days of such request (provided that neither Company is in "Default" of the DIP Loan Agreement);

(viii) by FMIB or the Companies, if the Bankruptcy Court enters a Sale Order approving the Sale to a Qualified Overbidder, in which case, the Companies shall pay the Stalking Horse Bidder Fee in accordance with Section 5.17 hereof;

(ix) by FMIB, upon written notice to the Companies, if FMIB is not in material breach of any of the terms of this Agreement, and there has been a breach of any representation, warranty, covenant or agreement made by FMAR or FMBank in this Agreement, or any such representation and warranty shall have become untrue after the date of this Agreement, such that the condition set forth in Section 6.02(a) or Section 6.02(b) would not be satisfied and such breach is not curable or, if curable, is not cured within thirty (30) days after written notice thereof is given by FMIB to the Companies;

(x) by the Companies, upon written notice to FMIB, if the Companies are not in material breach of any of the terms of this Agreement, and there has been a breach of any representation, warranty, covenant or agreement made by FMIB in this Agreement, or any such representation and warranty shall have become untrue after the date of this Agreement, such that the condition set forth in Section 6.03(a) or Section 6.03(b) would not be satisfied and such breach is not curable or, if curable, is not cured within thirty (30) days after written notice thereof is given by the Companies to FMIB;

(xi) by FMIB, upon written notice to the Companies, if any condition to the obligation of FMIB to consummate the Closing set forth in Section 6.01 or Section 6.02 shall have become incapable of fulfillment other than as a result of a breach by FMIB of any covenant or agreement contained in this Agreement;

(xii) by FMIB in the event that FMAR or FMBank has breached the terms of Section 5.22 in any respect adverse to FMIB;

(xiii) by the Companies, upon written notice to FMIB, if any condition to the obligation of the Companies to consummate the Closing set forth in Section 6.01 or

Section 6.03 shall have become incapable of fulfillment other than as a result of a breach by the Companies of any covenant or agreement contained in this Agreement;

(xiv) by FMIB, if the Bankruptcy Court has not entered the Sale Order approving the Sale to FMIB by forty (40) days after entry of the Auction Procedures Order, if such Sale Order has been entered but is stayed or has been reversed or vacated on such date, or if such Sale Order has been entered but has been amended or modified in a manner adverse to FMIB without the prior written consent of FMIB on or before such date; or

(xv) by FMIB, if the Petition Date does not occur on the date required in this Agreement.

Section 8.02. Effect of Termination. In the event of the termination of this Agreement pursuant to Section 8.01, this Agreement shall become void and have no effect, except that (i) the provisions of Section 5.06, Section 5.17, Section 8.01, this Section 8.02 and ARTICLE X shall survive any such termination, and (ii) no such termination shall relieve the breaching Party from Liability resulting from any breach by that Party of this Agreement.

ARTICLE IX.

SURVIVAL OF REPRESENTATIONS AND WARRANTIES; TAX MATTERS

Section 9.01. Survival of Representations, Warranties and Covenants. All representations, warranties, covenants and agreements of the Parties contained in this Agreement, or in any instrument delivered pursuant to this Agreement, shall terminate at the Closing Date other than those covenants and agreements of the Parties which by their terms apply in whole or in part after Closing.

Section 9.02. Transfer Taxes. The payment of any transfer, documentary, sales, use, stamp, registration and other such Taxes and fees (including any penalties and interest) incurred in connection with the consummation of the Contemplated Transactions will be borne fifty percent (50%) each by FMAR, on the one hand, and FMIB, on the other hand. Each Party shall, as required by applicable Legal Requirements, cooperate, and cause its Affiliates to cooperate, as necessary in the execution and filing of any Tax Returns and other documentation required to be filed with respect to all such transfer, documentary, sales, use, stamp, registration and other Taxes and fees.

Section 9.03. Prorations. Except as otherwise provided in this Agreement, FMAR shall be responsible for all Taxes payable by FMBank and the Bank Subsidiaries for periods ending on or prior to the Closing Date, regardless of whether such Taxes are due prior to or after the Closing Date. FMIB shall be responsible for all Taxes payable by FMBank and the Bank Subsidiaries attributable to periods beginning after the Closing Date. Taxes measured or based on income, sales, use or similar income-based, revenue-based, or transactional Taxes with respect to a Straddle Period shall be allocated as if the relevant Tax year of FMBank terminated as of the end of the Closing Date on an interim closing of the books basis. All other Taxes not

described in the prior sentence for a Straddle Period allocated to the period ending on the Closing Date shall be the product of (x) the amount of such Taxes due for the entire Straddle Period and (y) a fraction with the numerator equal to the number of days in the Straddle Period up to and including the Closing Date and the denominator equal to the number of days in the entire Straddle Period. FMAR or FMIB, as applicable, shall invoice the other Party for the amount of Taxes that the other party is responsible for pursuant to this Section 9.03 but were paid by FMIB or FMAR, as applicable, and such amount shall be paid within twenty (20) days of receipt of such invoice, but in no case shall such payment be required to be made more than five (5) days prior to the due date of the Tax Return to which such Taxes relate.

Section 9.04. Tax Returns.

(a) Except as otherwise provided in Section 9.02 hereof, FMAR shall prepare or cause to be prepared, and file or cause to be filed, at FMAR's sole expense, and on a basis reasonably consistent with past practice (to the extent permissible by applicable Legal Requirements), all Tax Returns for FMAR, FMBank and the Bank Subsidiaries for all periods ending on or before the Closing Date that are filed after the Closing Date (each, a "Prior Period Return"). FMAR will permit a representative of FMIB to review each Prior Period Return at least ten (10) days prior to the due date for the filing of such Prior Period Return (taking into account extensions). Pursuant to such review, if FMIB in good faith determines that a position taken on such Prior Period Return would result in an increase in the Tax obligations of FMBank or a Bank Subsidiary in a taxable period commencing after the Closing Date, FMIB will be allowed to comment on such Prior Period Return and FMAR shall incorporate the comments that are reasonably requested by FMIB on each Prior Period Return.

(b) Except as otherwise provided in Section 9.02 hereof, FMIB shall prepare or cause to be prepared, and file or cause to be filed, at FMIB's sole expense, all Tax Returns for FMBank and the Bank Subsidiaries other than the Prior Period Returns and the Consolidated Returns (as defined in Section 9.04(c) hereof); *provided, however, that* with respect to any Tax Return due after the Closing Date for a Straddle Period (each, a "Straddle Return"), FMIB shall provide FMAR with a copy of such Straddle Return for its review and consent, at least ten (10) days prior to the due date for the filing of such Straddle Return (taking into account extensions), which consent shall not be unreasonably withheld, conditioned or delayed.

(c) FMAR shall include the income, if any, of FMBank and the Bank Subsidiaries (including any deferred items triggered into income by Treasury Regulation Section 1.1502-13 and any excess loss account taken into income under Treasury Regulation Section 1.1502-19, and determined by closing the books of FMBank and the Bank Subsidiaries as of the Closing Date) on its consolidated federal, and, as applicable, state and local, income Tax Returns ("Consolidated Returns") for all periods through the Closing Date, and FMAR shall pay any federal, and, as applicable, state and local, income Taxes attributable to such income. For all taxable periods ending on or before the Closing Date, FMAR shall cause FMBank and the Bank Subsidiaries to be included in the Consolidated Returns. FMAR shall prepare and file all Consolidated Returns on a basis reasonably consistent with past practice (to the extent permissible by applicable Legal Requirements).

Section 9.05. Cooperation. FMIB and FMAR will (and FMAR will cause each of the FMAR Subsidiaries and Bank Subsidiaries to) cooperate fully, as and to the extent reasonably requested by any Party, in connection with the filing of Tax Returns and any audit, litigation or other proceeding with respect to Taxes. Such cooperation shall include the retention and (upon such Party's request) the provision of records and information reasonably relevant to any such audit, litigation, or other proceeding. Following the Closing Date, FMIB and FMAR shall cooperate, as to the extent reasonably requested by the other Party, in connection with the Bankruptcy Case including the provision of records and information reasonably relevant to the activities of the Companies and the Bankruptcy Case.

Section 9.06. Carrybacks. FMAR shall pay to FMIB any Tax refund (or reduction in Tax Liability) resulting from a carryback of a post-acquisition Tax attribute of FMBank or a Bank Subsidiary into a Consolidated Return no later than ten (10) days after such refund (or reduction) is realized by the FM Group. At FMIB's request, FMAR shall use commercially reasonable efforts to cooperate with FMBank or a Bank Subsidiary in obtaining such refund (or reduction), including through the filing of amended Tax Returns or refund claims, and FMIB shall reimburse FMAR for all reasonable out of pocket expenses incurred by the FM Group in such cooperation.

Section 9.07. Amended Tax Returns of FMBank; Settlement of Audit.

(a) Unless required by applicable Legal Requirements, neither FMAR nor FMIB shall file or cause to be filed any amended Tax Returns for FMBank or any Bank Subsidiary covering, or adjusting any Taxes for, (i) any Tax period ending on or before the Closing Date or (ii) a Straddle Period, in each case with respect to the preceding clauses "(i)" and "(ii)," without the prior written consent of the other Party, which consent shall not be unreasonably withheld, delayed or conditioned.

(b) Notwithstanding anything herein to the contrary, FMAR shall not (i) compromise, resolve, or settle any audit of a Consolidated Return that would have the effect of increasing the Tax Liability of FMBank or any Bank Subsidiary for any period ending after the Closing Date or decreasing any Tax attribute of any of FMBank or any Bank Subsidiary existing on the Closing Date, or (ii) file any amended Consolidated Return that would have the effect of increasing the Tax Liability of FMBank or any Bank Subsidiary for any period ending after the Closing Date or decreasing any Tax attribute of any of FMBank or any Bank Subsidiary existing on the Closing Date, in each case with respect to the preceding clauses "(i)" and "(ii)", without the prior written consent of FMIB, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 9.08. Tax Sharing Agreements. All Tax-sharing agreements or similar agreements with respect to or involving FMBank or any Bank Subsidiary shall be terminated as of the Closing Date with respect to FMBank and each Bank Subsidiary, and, after the Closing Date, neither FMBank nor any Bank Subsidiary shall be bound thereby or have any Liability thereunder.

Section 9.09. Tax Covenant Involving FMBank. Without the prior written consent of FMIB, FMAR shall not (and shall cause the FM Group and each FM Group Member not to) make or change any election, change an annual accounting period, adopt or change any accounting method, file an amended Tax Return, enter into any closing agreement, settle any Tax Claim or assessment relating to FMAR or FMBank, surrender any right to claim a refund of Taxes, consent to any extension or waiver of the limitation period applicable to any Tax Claim or assessment relating to FMAR or FMBank, or take any other similar action relating to the filing of any Tax Return or the payment of any Tax, if such election, adoption, change, amendment, agreement, settlement, surrender, consent or other action would have the effect of increasing the Tax Liability of FMBank or any Bank Subsidiary for any period ending after the Closing Date or decreasing any Tax attribute of any of FMBank or any Bank Subsidiary existing on the Closing Date.

Section 9.10. Additional Tax Covenants.

(a) FMIB and FMAR agree that FMBank shall cease to be a member of the FM Group as of the end of business on the Closing Date pursuant to Treas. Reg. §1.1502-76(b)(1)(ii). On its consolidated federal income Tax Return for the taxable year in which the Closing Date occurs, FMAR shall elect under Treas. Reg. §1.1502-36(d) to reduce FMAR's adjusted Tax basis in its FMBank Shares to the extent necessary to prevent any reduction of FMBank's Tax attributes. All Tax Returns filed by the FM Group, each FM Group Member, FMBank and the Bank Subsidiaries shall be consistent with this provision. In addition, each FM Group Member agrees to take any other action reasonably requested by FMIB or FMBank to preserve FMBank's Tax attributes. At FMIB's discretion, FMAR shall make, or shall forego making (and shall cause the FMAR Subsidiaries to make or forego making), the election under Section 108(b)(5) of the Code on FM Group's consolidated federal income Tax Return for the taxable year in which the Closing Date occurs. Upon request by FMIB, FMAR shall deliver to FMIB its preliminary calculation of how FMAR would apply the provisions of Section 108 of the Code to any excluded cancellation of debt income, and within thirty (30) days of receipt thereof, FMIB shall provide direction to FMAR on making or not making the election. FMAR shall not make an election under Section 336(e) of the Code with respect to the acquisition of the FMBank Shares pursuant to this Agreement.

(b) FMAR shall cause each entity that will be an FM Group Member on the last day of the month of the Closing Date (the "Year-End Date") to meet the requirements under Rev. Proc. 2006-45 to obtain automatic approval from the Commissioner of Internal Revenue to change the accounting period of the FM Group under Code Section 442 and Treasury Regulation Section 1.442-1(b) to a taxable year ending on the Year-End Date (the "Accounting Period Change"). In addition, FMAR agrees to effect such Accounting Period Change. To facilitate such Accounting Period Change, FMAR shall cause each entity that will be an FM Group Member on the Year-End Date to (i) take all actions necessary to comply with the requirements of Rev. Proc. 2006-45 to obtain automatic approval from the Commissioner of Internal Revenue to effect such Accounting Period Change (including, without limitation, the timely filing of IRS Form 1128, Application to Adopt, Change, or Retain a Tax Year), and (ii) refrain from taking any action that could cause any such entity to fail to meet the requirements of Rev. Proc. 2006-45.

Section 10.08. Jurisdiction. Each of the Parties agrees that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in the United States Bankruptcy Court for the District of Maryland, so long as such court shall have subject matter jurisdiction over such suit, action or proceeding (provided, that if such Bankruptcy Court does not have jurisdiction over any matter, or if it has jurisdiction but does not exercise such jurisdiction for any reason, then such suit, action or proceeding shall be brought in any Maryland state court or Federal court of the United States sitting in Baltimore Maryland), and that any cause of action arising out of this Agreement shall be deemed to have arisen from a transaction of business in the State of Maryland, and each of FMIB and the Companies hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in such courts or that any such suit, action or proceeding brought in such courts has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any Party anywhere in the world, whether within or without the jurisdiction of such courts. Without limiting the foregoing, each Party agrees that

service of process on such Party as provided in Section 10.06 shall be deemed effective service of process on such Party.

Section 10.09. Multiple Counterparts. For the convenience of the Parties hereto, this Agreement may be signed in multiple counterparts, each of which will be deemed an original, and all counterparts hereof so signed by the Parties hereto, whether or not such counterpart will bear the execution of each of the Parties hereto, will be deemed to be, and is to be construed as, one and the same Agreement. Electronic or facsimile transmission of a signed counterpart of this Agreement will be sufficient to bind the Party or Parties whose signature(s) appear thereon.

Section 10.10. Specific Performance. Each of the Parties hereto acknowledges that the other Parties would be irreparably damaged and would not have an adequate remedy at law for money damages if any of the covenants contained in this Agreement were not performed in accordance with its terms or otherwise were materially breached. Each of the Parties hereto therefore agrees that, without the necessity of proving actual damages or posting bond or other security, the other Party may be entitled to seek temporary and/or permanent injunction or injunctions which a court of competent jurisdiction concludes is justified to prevent breaches of such performance and to specific enforcement of such covenants in addition to any other remedy to which they may be entitled, at law or in equity.

Section 10.11. Attorneys' Fees and Costs. If attorneys' fees or other costs are incurred to secure performance of any of the obligations herein provided for, or to establish damages for the breach thereof, or to obtain any other appropriate relief, the prevailing Party is entitled to recover reasonable attorneys' fees and costs incurred therein and determined by the court to be justified.

Section 10.12. Rules of Construction. The descriptive headings in this Agreement are inserted for convenience of reference only and are not intended to be part of or to affect the meaning or interpretation of this Agreement. Each use herein of the masculine, neuter or feminine gender is deemed to include the other genders. Each use herein of the plural will include the singular and vice versa, in each case as the context requires or as it is otherwise appropriate. The word "or" is used in the inclusive sense. No Party shall be required to take any action under this Agreement to the extent that such action would require the Party to violate any applicable Legal Requirement.

Section 10.13. Articles, Sections, Exhibits and Schedules. All articles and sections referred to herein are articles and sections, respectively, of this Agreement and all exhibits and schedules referred to herein are exhibits and schedules, respectively, attached to this Agreement. Any and all schedules, exhibits, certificates or other documents or instruments referred to herein or attached hereto are and will be incorporated herein by reference hereto as though fully set forth herein.

Section 10.14. Public Disclosure. None of the Parties shall make any announcement, statement, press release, acknowledgment or other public disclosure of the existence of, or reveal the terms, conditions or the status of, this Agreement or the Contemplated Transactions without the prior written consent of the other Parties to this Agreement; but any Party is permitted to

make any public disclosures or governmental filings as legal counsel may deem necessary to maintain compliance with or to prevent violations of any Legal Requirement or that may be necessary to obtain regulatory approval for the Contemplated Transactions and such disclosure required by Section 5.12 of this Agreement, in which case the Party required to make the release or disclosure shall use its reasonable best efforts to allow the other Party reasonable time to comment on such release or disclosure in advance of the issuance thereof. The Parties have agreed upon the form of a joint press release announcing the execution of this Agreement.

Section 10.15. Extension; Waiver. No failure to exercise, nor any delay in exercising any right, power or privilege hereunder (including, without limitation, the right to terminate this Agreement in accordance with Article VIII hereof) by any Party hereto will operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver of any Party of any right or remedy on any one occasion will not be construed as a bar to any right or remedy that such Party would otherwise have on any future occasion or to any right or remedy that any other Party may have hereunder. Any Party may unilaterally waive a right which is solely applicable to it.

The automatic extensions provided in this Section 10.17 shall not exceed thirty (30) Business Days and such automatic extensions shall not extend the Outside Date set forth in Section 8.01(a).
